

Study Guide/Discussion for Selfies-February 18 & 25, 2024

Let's Get Started

1. In Selfies - Week 2, we focused on Jesus claiming to be the "Light of the world" - What are some significant implications He makes by calling Himself the "Light" of the world?
2. Describe a way you see Jesus as being the Light in your own personal life.
3. Pastor Jack mentioned three things that light does. What were they?
4. How is claiming to be the "Bread of Life" significant for Jesus as the Son of God?
5. There are two forms of "life" Pastor Jack referred to: *bios* and *zoe*. What do they mean and how is it related to who Christ is claiming to be?

Let's Dig In

1. Share or write down one line or thought you heard from the sermon on Sunday these last two weeks that grabbed you and made you think differently?
2. Read John 6:27 & Ephesians 4:28 - What does this say about how we should or shouldn't work?
3. Talk about/Reflect on a time you had something you loved that ended up disappointing you.
4. John 6:34-35, 51 - It seems the crowd desires the bread Jesus is talking about. Pastor Jack mentioned their desire for a permanent fix to their problems. "They weren't interested in a person, they were interested in a product." Discuss/reflect on a time that you took Jesus for a product rather than a person.
5. "Eating is not a group experience. You cannot get nutrition secondhand." What did you think of that line in regards to your faith?
6. Jesus is God's provision for our real needs and our eternal life. Do you believe this is true? What areas immediately come into question?
7. What is communion to you?
